# HOW CAN THE BUDGET-CONSCIOUS COLLEGE STUDENT SAVE MONEY?

- a) **Save over 50% off AT&T's weekday rates on out-of-state calls during nights and weekends.**
- b) **Don't buy textbooks when "Monarch Notes" will do just fine.**
- c) **Save 40% off AT&T's weekday rate on out-of-state calls during evenings.**
- d) **Count on AT&T for exceptional value and high quality service.**
- e) **Hang around with the richest kids in school; let them pick up the tab whenever possible.**

If you're like most college students in the western hemisphere, you try to make your money go a long way. That's why you should know that AT&T Long Distance Service is the right choice for you.

*\* AT&T offers so many terrific values. For example, you can save over 50% off AT&T's day rate on calls during weekends to 8 am,*

*until 5 pm Sunday, and from 11 pm Sunday through Friday.*

*Call between 5 pm and 11 pm, Sunday through Friday, and you'll save 40% off our day rate.*

*Ever dial a wrong number? AT&T gives you immediate credit if you do. And of course, you can count on AT&T for clear long distance connections any place you call.*

*To find out more about how AT&T can help save you money, give us a call. With a little luck, you won't have to hang around with the rich kids. Call toll-free today, at 1 800 222-0300*

**AT&T**

The right choice.

Even today, there are still a few students  
who don't have an HP calculator.

Burning the  
midnight oil  
just might be  
necessary.

Burning the 2:00 or 3:00 or 4:00 AM  
oil is not only tiring, it's absurd.

Especially when an HP calculator  
can get the answers you want — in time to get a good  
night's sleep.

For instance, our HP-15C Professional Scientific  
Calculator has more built-in advanced math and  
statistical power than any other calculator.

Our HP-41C Advanced Scientific Calculators have  
even more potential.

That's because there are better than 2500 software  
packages available for them — more than for any other  
calculator.

There's even a special plug-in software package  
(we call it the Advantage Module) that's designed to  
handle the specific problems an engineering student  
has to solve in his, or her, course work.

No wonder professionals in engineering widely  
regard HP calculators as the best you can get.

So check one out. Then, when your mother calls to  
ask if you're getting enough sleep, you won't have to lie.

By the way, if you want more information, just give  
us a call at 800-FOR-HPPC.  
Ask for Dept. 734C.
